

We're here to be your indispensable partner in achieving a safer, healthier and more prosperous Montana.

Service Tailored to You

Montana State Fund understands your workers' compensation needs are as unique as your business.

We tailor a workers' compensation experience that is right for you and your employees. Our commitment is to become an indispensable partner in helping to protect the health and safety of your employees. However, if an unfortunate injury occurs, our dedicated staff will assist with establishing proper medical treatment, wage loss benefits and most importantly getting employees back to work.

Why partner with Montana State Fund?

Our name says it all.

We are Montanans who have been insuring Montana businesses for over 100 years.

It's about our shared partnership with our customers to protect the health and safety of their employees. Keeping injury-related costs as low as possible and to be there for injured employees is paramount. Our professional team offers a complete customer experience that is hard to match.

After all, our mission is to partner with employers and their employees to care for those injured on the job and to champion a culture of workplace safety for our fellow Montanans.

Meet Your Montana State Fund Team

Claims Services

We are experienced in working with Montana's businesses and will keep you informed throughout the claims process. Our team will be with you and your injured employee to coordinate medical care, assist with return to work and help contain costs.

We commit to:

- Contacting all necessary parties in the first 24-hours when a wage loss claim is filed.
- Assisting your injured employees with timely and necessary medical care; including prescriptions with no out-of-pocket expense.
- Assigning internal Medical Case Managers who are RN's, to assist your injured employees get the medical care they need.
- Providing prompt communication on critical claim issues and Return to Work (RTW).
- Coordinating all claims management professionals including Legal Counsel, Special Investigations Unit, Vocational Rehabilitation Consultants and Claims Managers for assertive, proactive claims management.
