

# Prevent the Spread of COVID-19

## Properly Wash Your Hands

**Wet your hands  
with water**

**Apply soap to  
your hands**

**Scrub your hands  
vigorously for at least  
20 seconds**

**Remember to scrub  
beneath your nails**

**And between your  
fingers**

**Rinse your hands  
with water**

**Dry your hands with  
a clean towel**

**Turn off the sink using  
a towel**
